timecapture attendance

Timecapture Attendance is a digital solution that tracks employee attendance by recording arrival and departure times, breaks, and absences. It is essential for human resources management, payroll, and compliance.

Key Features

- **Automatic time tracking**
- **Absence and leave management**
- **Overtime calculation**
- **HR dashboard and reports**
- **Multi-platform access**
- **Security and compliance**
- **Integration with other systems via REST API or file sharing (PDF, Excel, etc.)**
- **AI-assisted attendance management**

Benefits of Timecapture Attendance

1. **Significant time savings**
2. **Reliable and accurate data**
3. **Easy integration with payroll and HR tools**
4. **Improved employee control**
5. **Legal and administrative compliance**
6. **Improved HR productivity**
7. **Transparency and trust**
